

4-H YOUTH FUTURES
COLLEGE WITHIN REACH

College Within Reach 4-H National Mentoring Program

The **College Within Reach 4-H National Mentoring Program** supports military-connected students who are ready to take control of their futures! Participants will engage in fun, hands-on activities focused on exploring a variety of college preparation and workforce topics. Matched with mentors who share common experiences and interests, participants will explore topics such as college and career readiness, college application processes, academic and career goal setting, and creating sustainable plans leading to long-term success! Plus, participants will create networks of friends with other military-connected youth throughout the state!

WHAT TO EXPECT

- Participate in fun learning activities
- Prepare for college and career
- Explore college and career opportunities
- Create a network of friends with other military-connected youth
- Work with a mentor selected specifically for you based on your interests
